

Submitter: Daniel Kohler

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB2137

Sen Gorsek & Rep McLain co-chairs and members of the committee,  
RE: HB 2137

The establishment of a third bridge is vital to the transportation system in the Salem Keizer area. I cringe to think of wasting the millions of dollars already invested in studies; it would be a crying shame to just ignore the issue.

The bridge would have a positive impact on Marion, Polk, Lincoln and Tillamook counties.

Do the right thing and commission a task force to move this project forward.

Respectfully submitted,

Daniel R. Kohler  
Keizer resident and  
member of the Keizer City Council
