

Submitter: Laurel Hines

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR5

I oppose HJR 5. I do not want my right to voice my "vote" via a ballot initiative to be taken away. This is an un-democratic bill and would take away the rights of those who may want to make changes in the future by a vote of the public. No one knows what opinions the majority of the public may have in the future, or what conservation needs may arise and change public opinion. Wildlife management may need to be updated and modernized. Please do not pass this bill out of committee.
