Committee: House Committee On Rules
Measure: HJR5

Dear House Committee,

Hunting and fishing has long been an integral part of my life growing up in Oregon. Many of my life memories were made with my family outside fishing or hunting. I want to be able to continue these memories now that I have a son of my own.

Hunting and fishing allows me to provide clean, healthy food in a current climate where store bought food is expensive and typically processed. I support HJR 5 to protect Oregonian's rights to hunt and fish and enjoy the beautiful state we call home.

Thank you.
