

Submitter: Mark Jones

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2572

To ALL Committee members;

I want to express my opposition to HB2572. This is corrupt legislation as I've seen before. Any Committee member supporting HB2572 should resign as HB2572 is not about making Oregon a better place, but in fact creates special protections for lawless groups like ANTIFA and BLM, while trying to make criminals of citizens who band together to protect ideas and freedoms. HB 2572 needs to be rejected. Do not pass HB2572 out of committee!
