SUBJECT: Support for HB 2696, the Oregon Sign Language Interpreter Licensure Bill

To the Chair Nosse, Vice-Chair Goodwin, Vice-Chair Nelson, and members of the Committee:

I am writing to urge this Committee to support HB 2696.

My name is Bethany Reis, I am a Deaf American Sign Language Interpreter in the state of Oregon. I am writing to urge the Committee's support of HB2696. This bill will protect the more than 180,000 Deaf, DeafBlind, and Hard of Hearing Oregonians in our state by establishing a licensure requirement for Sign Language interpreters. Currently in Oregon, anyone can legally represent themselves as a Sign Language interpreter whether or not they are qualified and provide services in settings such as: emergency press conferences, drug treatment facilities, emergency medical situations or attorney-client meetings. This results in unqualified or unethical interpreting services, violating the rights of our Deaf, DeafBlind, and hard of hearing Oregonians and potentially causing great harm to consumers. Along with the risk to the consumers, hiring entities including government agencies are at risk of lawsuits if they hire interpreters who are unqualified.

HB2696 will create a State Board of Sign Language Interpreters within Oregon Health Authority, outline requirements for interpreter licensure, establish standards for the profession and by doing this protect consumers and hiring entities by requiring licensure to work as a Sign Language interpreter in Oregon. Over 30 states have established such requirements for Sign Language interpreters and the passing of this bill would ensure Oregon is in line with national best practices.

I was Deaf since birth and have been using American Sign Language interpreters in every setting you can think of. Without their service, I won't be the person I am today. Now I am a Deaf interpreter, I want to give that back to the community and give service I can to assist them in any way. Your support for this bill also will contribute greatly to this community of ours. I respectfully ask for the Committee's support of HB2696 the Oregon Sign Language Interpreter Licensure Bill because this law will protect the rights of Oregon's Deaf, Deafblind, and Hard of Hearing citizens.

Sincerely,
Bethany Reis
