Measure: HB2572

I oppose this bill, 2nd Amendment reads; A well regulated Militia, being necessary to the security of a free state, the right of the people to keep and bear Arms, SHALL NOT BE INFRINGED. It is not the law abiding citizen that needs more legislation and the criminals don't care what the law says. There are enough laws to be informed for illegal activity in this category. The paramilitary can also include emergency service and emergency preparedness, this would also make them illegal gatherings. VOTE NO
