

Submitter: Martin Kuhrt  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2572

Whoever supports this legislation either does not understand the Constitution or is knowingly violating it. This should not be subjected to extended litigation that will eventually prove it is against the Constitution which will waste time and money.

Anyone that took an oath of office to protect and defend the Constitution is in violation of that oath if they propose or support this legislation.
