On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2800

Chair Holvey, Vice-Chairs Elmer and Sosa, and Members of the Committee:

I am writing as a member of the American Association of University Women Salem Oregon Branch.

(AAUW) and I strongly support House Bill 2800

Age discrimination is real. I'm not sure I know anyone who hasn't either personally experienced it or know a friend who has.

I filled out an application at a University and one of the question was "are you over 50 years old. Thankfully that question was removed from the application. How many other employers are making the same sort of age discrimination?

Unfortunately, women take the biggest hardship.

Sincerely,

Dolores Mlynarczyk,
Salem, Oregon
