

Submitter: Ronald Wiggins  
On Behalf Of: Myself  
Committee: House Committee On Judiciary  
Measure: HB2572

Please accept my testimony against HB 2572

This bill is contrary to both the Constitution of Oregon as well as the Constitution of the United States. Stop trying to erode our rights and freedoms in the false name of Safety. Ben Franklin warned us about people like those promoting this I'll thought out bill. "Those who would give up their liberties in the name of a little temporary safety, deserve neither liberty or safety".

Sincerely  
Ronald Wiggins
