

Submitter: carmelita hernandez

On Behalf Of: Central Oregon Collective

Committee: House Committee On Early Childhood and Human Services

Measure: HB2457

Wages are very important to me so it can continue to provide support to people with disabilities in Central Oregon. This bill will allow COC to pay me at least 150% of minimum wage and cover cost increases from the Paid Leave Oregon Payroll Expense. Finally, I ask you guys to vote YES on HB 2457.
