Measure: HB2572

Dear Chair and committee members -

I am opposed to HB 2572. I am a small business owner and part of a neighborhood watch group for my area's businesses. I firmly believe that this will inhibit my ability to self-police my business and those of my neighbors to help keep us secure. We have a large number of shoplifters and drug dealers that frequent our neighborhood. We rely on each other to coordinate our actions in security of our neighboring businesses. I feel this bill would give thugs like Antifa the upper hand and leave us law abiding citizens and business owners to their will.
