Measure: SB548

This is a worthy bill. I have worked in an elementary school for 20 years and seen with my own eyes students living in a hotel with a different worker each night, forced to bring all their meager belongings to school to check in at the office while they attend school, scoop them up at the end of the school day to go with another caseworker to a hotel ... for weeks! This child was fortunate, we found her a plastic tub to exchange for her state-issued trash bag. It takes so little to give dignity to others ... PLEASE support this bill!
