Committee: House Committee On Revenue

Measure: HB2089

I have 2.5 years clean and sober and couldn't have done it without the help of my mentor, residential treatment and detox to name a few. I am now a peer support specialist myself. I have completed all my programs and am raising all 6 of my child in a healthy environment again. I just delivered a drug free babygirl a year ago. We need more services however to help the addict who still suffers.
