

Submitter: Shantelle Pacariem

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB548

I support SB548 because a child going through foster care is already suffering enough and to have the only belongings they have left dumped into trash bags would make them feel like their worthless "trash". They already feel like no one wants them why add to their pain?? It's just sad... their already going through enough we need to make them feel that they are still worth it, that they can make it through this difficult time.
