

Submitter: Kathleen Crosby

On Behalf Of: Oregon Fairs Association

Committee: House Committee On Economic Development and Small Business

Measure: HB2510

HB 2510 will eliminate an old funding cap put in place years ago and provide an additional investment of approximately \$165,000 per county per year. Please vote YES on this bill. Humanity needs our fairs!

I am not a member of the Oregon Fairs Association, nor do I regularly perform at these events. Part of that reason is that I am a full-time entertainer, and they simply have no funds to pay anything that is not an insult to my profession. I still firmly believe that these events not only provide safe and educational family fun, but are necessary to teaching children responsibility in the 4-H and contest areas.

PLEASE VOTE YES AND SAVE OUR FAIRS!
