

Submitter: Joe Dabulskis

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB2510

The County Fair has been one of the largest events in Sherman County for over 100 years. As with all rural counties and especially in frontier county such as Sherman County, fairs and fair grounds need help. HB2510 would go a long way to provide for and fill this need. Thank you for your support.
