Committee: House Committee On Early Childhood and Human Services

Measure: HB2457

First - I SUPPORT HB 2457. I serve on the Governing Board of Albertina Kerr. The increased wages for DSPs would positively impact the services our clients receive. It would also help our DSPs and staff to better live their lives! They are the KEY to empowering Oregon's citizens that have intellectual and developmental disabilities, mental health challenges and other social barriers to lead self-determined lives and reach their full potential. Please pass this bill. Thank you!
