Committee: House Committee On Early Childhood and Human Services

Measure: HB2457

I am writing in support of HB 2457 that ensures that DSPs get the wages they deserve, by moving DSP wages to 150% of minimum wage and covering the Paid Leave Oregon Payroll Expense. Not everyone is capable of doing this job. So those that can, should be adequately compensated. The kindness and care shown by the DSPs are second to none. Please vote yes on HB 2457. DSPs, the people they support and their families are counting on your support!
