

Submitter: Pam Lewis

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3138

All of Oregon is in desperate need of AFFORDABLE housing. I would prefer tax monies be spent on something that can become a self supporting, or profitable, project. My concern is how and who will be able to access these funds for building housing, what will be the payback rate, if any, and what controls, or perimeters, are on the size of building projects?
