

Submitter: Lucille Castellano

On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure: HB2457

Yes i agree we as DSP deserve a raise for our dedication towards our residence we are there voice, we are next to kin they see us everyday. We as DSP work hard work extra hours tp make sure they get proper care, we take them to doctors appt.. to make sure they are good in health we provide there needs.And take them for rides We do anything for our residence so yes we sure can get that huge raise it will really appreciate it thank You!!!!
