On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure: HB2457

I am Eileen Lahey, Chief Financial Officer of Pearl Buck Center in Eugene, an organization that supports individual experience IDD. I am writing in support of HB 2457 that ensure DSPs get the wages they deserve, by moving DSP wages to 150% of minimum wages and covers Paid Leave Oregon Payroll Expense.

PLEASE vote YES on HB 2457! DSPs, the people the support and their families are counting on your support.

Thank you.
