

Submitter: Blake Stiles
On Behalf Of: State bill SB548
Committee: Senate Committee On Human Services
Measure: SB548

I support bill SB548 because I have worked a lot with homeless and foster children throughout the years. The impact of the rest of their lives has been devastating. It's always good to correct a ship which is going off course early in the journey instead of later because it takes more energy and sometimes it's impossible.
