

Submitter: Deborah Powell

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB2510

For 45 years, I have lived in Clackamas County with our horses. The county fairgrounds are a local resource I can't imagine being without. 4H, Tack Sales, Horse Shows, and recent fire evacuations are some reasons the fairgrounds are vital to us. Fairgrounds are part of our cultural history, and I hope they can continue to be supported and upgraded for the benefit of our communities.
