

Submitter: Torree McGowan

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB2510

County fairgrounds are the center of community for many smaller rural towns like Culver. It's the only place large enough to gather for many events. Almost every kid who grew up in Jefferson County has shown an animal at the fair and benefited greatly from the lessons learned in those programs. It provides a safe place to ride my horses, and I haul in several times a month to enjoy the facilities. Increasing funding will help support these vital pieces of rural infrastructure for generations to come.
