Committee: House Committee On Early Childhood and Human Services

Measure: HB2457

There's a reason why the individuals we support are 110% in support of this. DSPs need a living wage! We perform challenging, difficult at times, rewarding work. We want to continue to do this work. Personally it brings my heart great joy! The incredible individuals we support need consistency and deserve our best selves. Think about what it would be worth to YOU, or a loved one, if our services were needed.
