Committee: Senate Committee On Rules
Measure: SB417

Support SB 417

Dear Senators,

Finally some relief for citizens requesting public records. In Douglas County we have been subjected to extreme fees that no one could ever pay and therefore have been denied public records. The current Douglas County Clerk is charging 51,000 + dollars for the citizens to see the ballot images requested last year. We have not been able to raise this money.

Thank you in advance for supporting Senate Bill 417.

Russell and Loretta Johnson
