

Submitter: Linda Williams

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB2510

I am in favor of this bill. My family has supported 4H horse camps, sales and equitation competition for years at the fairgrounds. We also enjoy and support the fair, rodeos, car shows and bazaars. We support all things that Clackamas County Fairgrounds has to offer. Additional funds from lottery would go a long way towards upkeep on grounds and facilities.
