

Submitter: Bradley Butcher

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB548

I request the Senate pass this bill to require the state to provide foster children more adequate support and personal possessions/luggage as they move to a new home. I believe Seema Stephanie has made a solid case for the need to require this and her own experience as a foster child who only had a garbage bag for her stuff is a vivid illustration of why this is important.
