

Submitter: Karla Hoggan

On Behalf Of: KrossRoads Ranch

Committee: House Committee On Economic Development and Small Business

Measure: HB2510

Our counties rely on the fairgrounds for a multitude of activities, events, meeting places and as places for shelter for those of us who require evacuation due to natural disasters and emergencies. Allowing this cap to be removed will untie the hands of the fairgrounds in situations of need and will allow them to operate to full capacity and return to the excellent resource they have been in the past.

Thank you--
