

Submitter: Debra Thorpe  
On Behalf Of:  
Committee: House Committee On Revenue  
Measure: HB2433

Please support HB 2433. Liquor agents have worked hard for many years to support all aspects of responsible selling and safekeeping of the State's alcohol, which in turn has generated billions of dollars in revenue for the State. We ask that you please support us by voting yes on HB 2433. I have been an agent for the State for 31.5 years, working 6 days a week, and would appreciate sleeping better knowing that this bill passed.

Sincerely,

Debbie Thorpe
