Measure: SB183

Friday, [02.10.23]

I SUPPORT [SB 183].

All Oregon schools should have a "Purple Star School Program!"

If you're short on cash to ensure patriotism doesn't become uneducated...confiscate Lottery money from "Regional Solutions" (who are locating in the Governor's Office). They have plenty of cash laying all over the place. [Regional Solutions doles out funds to Counties for. Economic Development.]

Mr. Oregon Concur...Schools are "Economic Development Incubators." Go ahead tell me they're not...I double-dawg dare you!
