

Submitter: Matthew Cooper

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2915

Oregonians love their companion animals, we deeply care for their well-being and happiness, and in turn they teach us about compassion and empathy. So how can we allow pet stores to sell animals from puppy mills and other breeders that treat them as commodities, especially when so many dogs and cats are waiting in shelters? Resolving this ethical consistency will help make Oregon a more humane state.
