Committee: House Committee On Climate, Energy, and Environment

Measure: HB2215

The People of Oregon decided we NEVER WANT NUKES in Oregon. Nuclear power and it's radiation present the greatest danger to Humanity on Earth. It is a Pandora's Box of evil that should never be continued. Banned for all eternity. No Nukes Ever!!!

Want clean energy? Put all of our resources into putting solar on every rooftop and decentralize energy into each homeowners hands. No matter what the corporate profiteers tell you, rooftop solar especially the artificial leaf variety is eminently doable and FREE!!!
