**I OPPOSE [HB 2999].**

I SUPPORT the elimination of wildlife-vehicle collisions thereby saving animal's and Human lives.

The issue of "wildlife-vehicle collision programs" have already been studied to death.

A [\$5,000,000] allocation from the GENERAL FUND is too much money for [HB 2999] at this time.

Here are a few "wildlife-vehicle collision programs" for your perusal. There are many, many more.
