

Submitter: Lisa Cotter
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2585

I believe that a person who wants to vote can go down and fill out the paperwork themselves. I have very little faith in our elections the way they are. There is too much room for fraud. The last election I personally saw a U-Haul pull up and submit a bunch of ballots. I know from my own eyes there was fraud. If people weren't registered at the DMV there would not be a bunch of ballots that nobody is using floating around.
