Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB2999

Dear Chair Helm, Vice-Chairs Hartman and Owens, and Honorable Members of the  
Committee:

Thank you for the opportunity to provide testimony on HB 2999.

HB 2999 would provide important support to help address wildlife habitat connectivity  
and motorist safety concerns across the state by:

Strengthening the Oregon Department of Transportation's program to reduce wildlife-  
vehicle collisions and implement mitigation projects.

Allocating \$5 million to support on-the-ground work to reconnect wildlife corridors,  
building upon previous investments by the legislature.

Improving Oregon's ability to compete for the unprecedented federal funding  
currently available through the IJJA Wildlife Crossing Pilot Program and other federal  
grant programs.

For these reasons I strongly support HB 2999 and ask that you pass HB 2999 during  
the 2023 legislative session.

Reducing the potential for collision with wildlife is a significant benefit of this  
legislation.

Sincerely,  
Henry T Mottl
