

Submitter: Diana Kincaid

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2994

Hello!

I am writing in support of HB 2994. I am aware that many children in Oregon have been denied access to appropriate hearing technology such as hearing aids and cochlear implants due to insurance loopholes. Please pass HB 2994 to help ensure that all Oregon children receive the appropriate hearing technology that they need, and that clinics are reimbursed appropriately for the services they provide.
