

Submitter: Chad Kernutt

On Behalf Of: WE THE PEOPLE

Committee: House Committee On Climate, Energy, and Environment

Measure: HB3022

Dear Lawmakers,

My name is Chad Kernutt and I urge you to vote YES on HB-3022. Government beaurocracies have no business telling WE THE PEOPLE what we can and can't drive on the roads we all get taxed to drive on with fuel that we get taxed to use. These agencies are acting like dictators in pursuit of their green environmental justice goals and they have no legal or constitutional right to do so and they need to back off and leave the lawmaking to the lawmakers who are voted in by their constituents. Thank you.
