

Submitter: Sierra Romesburg

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB704

Oregon needs to be the leader on statewide single payer healthcare. It is more affordable for the state and its citizens. It will improve so many peoples' lives and help combat the homelessness crisis our state faces. Our overall health outcomes will improve tremendously. Please approve this bill and work towards a real single payer future for our state. You and I—we all deserve this. Thank you.
