

Submitter: Dana Brown

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2915

Those puppies found in neighborhood pet stores are so adorable!! It's hard to put that together with the intolerably inhumane conditions they experienced in their short life times. Most retail puppies come from puppy mills, many (if not most) with horrific living conditions that none of you would tolerate if seen in-person. Please support this immensely popular bill and put an end to this practice.
