

Submitter: Bethany Kuehne

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2458

I am an LCSW in OR who works with queer and trans individuals. I have known people who have gone through conversion therapy and left more traumatized. This bill is an important step in ridding our state of a practice that is rooted in bigotry rather than science. I am in support of this bill.

Bethany Kuehne, LCSW
