I strongly oppose this bill as written. It should not move forward. Oregon and Portland in particular, are no longer safe due to lack of law enforcement. It seems the democrats in Salem cant find enough way to remove and hinder law enforcement from keeping Oregonians safe. This bill does nothing but pare down an already small pool of candidates. This is often a career chosen instead of going to a 4 year college. Reconsider the safety of Oregonians and do not move this short sighted bill forward
