

Submitter: Katie Ray

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2458

I am a therapist (Licensed Professional Counselor) working with queer and trans individuals in Portland, Oregon. I have seen firsthand the deeply entrenched harm and damage done by conversion therapy. The legacy of shame, traumatization, and loss of sense of self as a result of conversion therapy practices is immense, and takes decades to undo.

Please support the passage of HB 2458.
