

Submitter: Caitlin Weisensee

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2458

As a queer person who was born and raised in Oregon, I am in full support of HB2458. Conversion Therapy is unethical and abusive, and also ineffective. Queer folks who are subjected to conversion efforts are at an additional and extremely high risk for increased mental illness, substance abuse, and suicide. It's time for Oregon to catch up to other countries who have already enacted a total ban.
