On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2996

I am in opposition to HB 2996 which would prohibit the Oregon Board of Dentistry from requiring written exam for Dental Assistants who are applying for a Radiology Certificate and an EFDA Certificate. Quantity should never supersede Quality of Care. As a professional it's important to maintain a high standard of care.

Professionally yours,

Laura L. Underwood RDH
