

Submitter: Matthew Barron

On Behalf Of:

Committee: House Committee On Rules

Measure: HB2585

I strongly support the ENDING of automatic voter registration. It was originally intended to help citizens with unstable housing a chance to participate in politics. No one wants to disenfranchise the economically vulnerable among us in our communities, but if they are not stable enough to secure housing throughout election cycles, what happens to their ballots when they leave their short-term residence? Does anyone check up on those lost ballots?
