

Submitter: Richard Balkins  
On Behalf Of: Astoria Building Design LLC  
Committee: Senate Committee On Labor and Business  
Measure: SB224

If we have a Work Session or something where we can add or propose an Amendment to the Bill (SB224)

Provide copy of this to the Oregon Board of Architect Examiners and Committee:

On page 5 of the printed bill, delete lines 31 to 32 and insert:

“(A) Is a single family residential dwelling, a single family dwelling with up to one attached accessory dwelling unit, or farm building;

“(B) Is a structured used in connection with or auxiliary to a single family residential dwelling, single family dwelling with up to one attached accessory dwelling unit, or farm building, including but not limited to a three-car garage, barn or shed or a shelter used for the housing of domestic animals or livestock[.]; or”.

One page 2 on the printed bill, after line 36 but before Section 2 of bill, insert:

(14) “Accessory dwelling unit” means a residential structure that is used in connection with or that is auxiliary to a single family dwelling.

(15) “attached Accessory Dwelling Unit” is an accessory dwelling unit attached to a single family residential dwelling. Examples includes but not limited to, conversion of a basement or attached garage to residential living space use or attached addition or accessory structure used as a residential dwelling.
