

Submitter: Alexandra Bruckner

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB3158

I strongly oppose implementing a myriad of taxes on the working class. How do you expect Oregon to continue to grow and build if every machine that builds this state and its infrastructure is being taxed?! This will ratchet up the cost of everything: food, housing, property taxes, etc. to help offset the taxes imposed from this proposed bill. Oppose HB 3158.
