On Behalf Of:

Committee: House Committee On Rules

Measure: HB2585

Honorable Chair Fahey, Vice Chair Breese-Iverson, Vice Chair Knopf and Rules Committee Members,

I support HB2585.

This bill gives the control of their voter registration back to the people. It is a very important event. If it passes, they won't have to be concerned when they go to DMV before an election that their address has changed to their business address where they have their business car, or that their political party has changed before a primary. Nor if they are a non citizen will they have to be concerned that they were automatically registered to vote which would have jeopardized their immigration status. All of these things have happened to people in Oregon.

They can still register to vote or change anything they need, such as change their political party or address.

Thank you so much for this bill. Please pass it immediately.

Best Regards,

Janice Dysinger
