

Submitter: Laurie Dougherty

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB2215

Chair Marsh, Vice-Chairs Levy and Levy, and Members of the Committee on Climate, Energy and Environment,

There are many problems involved with nuclear energy. The lack of safe, long term disposal of radioactive waste is one of the most serious and difficult to solve problems.

I urge you to oppose this bill.

Thank you for the opportunity to comment.
